He's an important guest of my father's!!
Help him at all costs!!
Is there a ladder that reaches all the way to the lord's mansion?!?!
Bring me the ladder!
I'm... done for...
Chapter 4: The Noble Puppy Gets a Friend
......!
But he wont last that long...
Shin...!
I'll help you. Grab this rope.
First, with your free hand, take the top of the rope
Please put your feet on me.
T/N: MC SUS
Are you hurt, Prince Tilrain?!
I left his highness under my father's servants care
and that's the kind of blunder we've made
As the head of the family, I sincerely apologize!
Yes, thanks to Shin, there's no problem!
Your highness?!
Allow me to take care of his highness.
From now on, I'll take responsibility
I didn't like the attitude of Bowman and his servants,
Well, whatever.
but I made a small friend that I can take care of.
I've been waiting for you this whole time!
That's terrible, Shin!
But still!
If a poor commoner child talks carelessly, their head might fly off
They call you his highness because you belong to the royal family
Why didn't you say anything?
Say something!
......
I'll pass, sir.
Yes, tell me anything!
Then let me tell you something.
You and I are close!
What kind of relationship is that?
Don't act like such a stranger, Shin!
......
Leaving her alone, Lady Victora, your fiancée has been forced to wait much, much longer.
I think she went through some hardships.
She's been waiting a long time.
While you're infatuated with your cheating partner
I feel a little bad.
That's...
I don't like people who don't make sense.
Then I'll hold off on talking to you again for a while.
'A little'?!
Please don't order me around.
Don't go, Shin.
I-I was just kidding!
Don't go!!
I'm sorry!
I'll make sure to apologize to Victora, so please continue to see me...
Shin!
I'll see you tomorrow.
Anyway, I have to go hunting today.
I'm going hunting too!
I'm afraid to express it!
There are times when monsters appear in nearby forests.
Don't underestimate nature.
You'll get slurped up from your guts if you take it easy outside the city!
First, do something about those skinny limbs.
If you really want to come hunting
At least build up enough stamina to ride a horse on your own.
Then I'm sure you'll take me there!
I'll work hard
I'll do it! I'll do it!
That's because I used to be a knight.
You're very knowledgeable.
When I was talking about Til...
Isn't he the third prince of this country?!
I can still say his full name.
Tilraine Evangeline Balzaya Timpin
I didn't think it would be this village
According to the stories that came from my fellow knights
He single-handedly broke off the engagement decided by the royal family
After making a fuss about wanting to make a cute but problematic girl his wife...
I heard he was put under house arrest.
What's more, he said he wanted to go hunting
Maybe it's because the food in the detachment was so poor, but his arms and legs were so thin.
That's a tough one.
...Yes.
Is he an idiot?
There's got to be at least some money paid to take care of him.
But the fact that the food was poor meant—
If they cared that much about him, then they wouldn't have left him in the former lord's mansion.
Yes. He had attendants on his way here.
..Prince Tilrain, he came in a carriage, didn't he?
Probably not even the current lord knows about it.
The money was taken from the former lord?!
The one I hate is the former lord, Sir Bowman
Not Mr. Powell!
Didn't you hate the lord?
Should I tell the current lord, Powell?
I'll tell him.
I don't think it's right for a kid like you to say that.

T/N: AYO NAH BTW THIS IS A REFERENCE ABOUT HIM BEING A DOG

I DON'T KNOW. LET'S CHECK IT OUT.
SHIN, WHAT'S THAT SQUARE BOARD?
THIS IS A MEMENTO FROM MY HOMETOWN AND MY HOMETOWN DOESN'T EXIST ANYMORE
IN RECENT YEARS, THERE HAVE BEEN NO MAJOR WARS OR DISASTERS IN THE KINGDOM OF TINPINE
UNFORTUNATELY, THE MONSTERS WILL MULTIPLY, AND THE SMALL VILLAGE WILL SUFFER GREAT DAMAGE
A FEW TIMES A YEAR.
I WONDER IF I WAS CONSIDERED AS A VICTIM AT THAT TIME.
WHATEVER THE CASE, IT'S NOT BAD FOR THE COUNTRY THAT THE PRINCE RECOGNIZES IT.
I CAN'T REPLY NOW THAT HE'S LOOKING BEHIND ME.
15:35
21
LET'S SAVE IT FOR LATER.
IT'S THE RIVER!!
SHH!
THE FISH WILL RUN AWAY.
I DON'T WANT TO SEE YOU FALL INTO A TRAP...
THEN LET'S GO TOGETHER.
OH!
YOU'RE REALLY GOING INTO THIS!
I'M NOT SURE IF IT'S TRUE OR NOT.
YOU CAN EAT IT NOW, YOU KNOW?
HUH?
CAN I EAT IT?
GO AHEAD.
IT'S DELICIOUS WITH CITRUS JUICE ON TOP.
I SEE. SO YOU DIDN'T KNOW HOW TO EAT IT.
AND THERE'S NO CUTLERY EITHER
FRESHLY BAKED IS DELICIOUS.
IT'S THE FIRST TIME I'VE HAD FOOD THAT HASN'T BEEN CHECKED FOR POISON.
EVEN WHEN HE'S EATING SOMETHING LIKE THIS
HIS BACK STRAIGHTENS AND THE DELICIOUSNESS SEEPS OUT.
YOU'RE MAKING A BIG FUSS, BABOON
SO HE REALLY IS A PRINCE.
——THE FACT THAT WE NEED TO TEST FOR POISON MEANS...
I WAS IN AN ENVIRONMENT WHERE ASSASSINATION WAS A CONCERN.
I CAN KIND OF IMAGINE IT NOW.
THE BACKGROUND OF WHAT HE'S BEEN CARRYING
...I HAVE REPLY TO FORMIA BEFORE I GO TO SLEEP...
AND...
AFTER THE DOG PRINCE, THE GODDESS IS HERE! SLOWLY.
SHINSAN, WAKE UP!
GODDESS...?
YOU FELL ASLEEP, SO I DRAGGED YOU HERE

ADSKEEPER
